

Register interest in supply / employment / other involvement

Construction of Stage 1 of the new Australian Opal Centre (AOC) at Lightning Ridge will recommence in 2023, after being put on hold in December 2021 due to impacts of the COVID-19 pandemic on construction industry supply chains and costs. The AOC is committed to local, regional and Indigenous employment and engagement.

Complete and return this form to register your interest in opportunities for local and regional subcontractors, suppliers, workers, volunteers and other roles during construction and operation of the new Australian Opal Centre. Your details will be provided to companies tendering for Head Contractor.

If you registered previously, you do **not** need to re-register; however, you are welcome to submit a new form to provide new or additional information.

This form is NOT for use by Head Contractors. Head Contractor procurement is being conducted by RFT from shortlisted companies, overseen by an independent Probity Advisor.
